Thank you for emailing me your comments on the draft UIC Dewey-Burdock permitting actions. I have added your email to the list of public comments received. I have also added you to my contact list to keep you informed on future EPA activities related to these proposed actions.

Thank you!
Valois

Subject: No uranium

Please no uranium in the Black Hills . They have the most pristine aquifers in the world . We can't afford to kill them it's not right! This is treaty territory for our natives and it's against treaties to destroy this area for uranium.
